BEAUTIFUL PARK LAID OUT BY MESSRS DOWE AND SAXON.

Well Equipped Hog Owned by Warren Conklin of Birchardville. Death of David Chandler-Susque hanna County News Notes -- Echoes from Rail and Tie.

Special to the Scranton Tribune.

Susquehanna, July 19 .- Jefferson Division Superintendent George W. Dowe and Track Foreman Saxon have recent ly laid out a beautiful park at Burnwood and christened it "Jefferson Park." Of course, the park is yet in embryo, but it is already enough advanced to warrant the statement that it will be the objective point for excursions from far and near. It is in one of the most picturesque spots between Ararat and Vandling, and from a balloon the eye can sweep over six counties. Several fountains are already playing, the water being permitted to work full time. In close proximity to the new clam fields is the Stillwater dam: there will be clam bakes and green corn dances during the harvest moon. The park is singularly free from mosquitos, dudes and book agents; and the invalid will here find relief from malaria and "that tired feeling." The park will be supplied with various games, including croquet, pinocle and euchre. During the summer nights there will be operatic music and other atrocities. Meals will be served en carte, on a wagon or on the side hill. There will be no extra charge for fine scenery. There will be special trains at irregular intervals. There will be good order always on tap. Coming to this favorable spot, an excursion will no longer be an exertion. During the halcyon and vociferous years to follow, pleasure and unalloyed joy will be knee deep up in beautiful Jefferson Park. Let the band A WELL EQUIPPED HOG.

MATTERS IN BRIEF.

The Seven-County soldiers' reunion will occur in Binghamton on Friday. About forty Susquehanna young men left for Binghamton on Monday morning to enlist in the Two Hundred and Third regiment, United States Volunteers. Nearly all were accepted, and they will in a few days leave for Syracuse and Camp Black.

DEATH CLAIMS TWO.

Jacob W. Smith Succumbs at Eighty-

eight Years-Abner Cobb Dies. Jacob W. Smith died at the home of his daughter, Mrs. John Lewis, of Brook street, yesterday morning at the advanced age of 88 years. Deceased was born in Sussex county, N. J., on Dec. 18, 1810. An idea of the length of his years is gleaned by the thought that his birth occurred two years before our second war with Great Britain, and within a few months after Thomas Jefferson retired from the presidency. The life of Mr. Smith seemed to be a connecting link between the past and present, and it has been his lot to witness the most remarkable changes that have taken place in the world.

For a time he lived in New Milford, he has had continuous residence here. He was one of this city's sturdy honest and respected citizens. He was a stone mason by trade, and long after the time when most men are incapacitated for labor he could do a day's work that would tire a younger man. He was able to follow his avocation until he was nearly 85 years of age. About that time his wife died. The exact date was March 25, 1895. He is survived by two sons and three

A WEDDING.

Many friends were happily surprised to learn from yesterday's Tribune that a marriage license had been taken out by Miss Hattie Schroeder and Eugene Dow, of this city. The wedding will occur this afternoon at the residence of Mr. and Mrs. Christian Schroeder on Canaan street. Both the contracting parties are widely known and their numerous friends will be ready to extend congratulaions. After the ceremony and the wedding feast is over the bride and groom will leave on an extended trip and on their return they will take up their residence in a handsomely furnished residence recently purchased on Canaan street. Mr. Dow is the superintendent of the Sperl Heater works in this city and has acquired a high reputation in the business circles of this region.
